Welcome & Congratulations must go to Christopher Dawson being appointed as Sponsored Pilot by Ausjets. I look forward to seeing you Chris at the Jet Rally At Temora this September. Have you run your new "Rino" yet? I am sure you will be amazed at the performance of these great turbines. All the best  
Brian

Chris's Rhino is with UPS and will be delivered to Brett on Monday morning. Brett will for the pre delivery testing and tuning of this engine and a falcon for another customer and both should be delivered by Friday.
