
Coming Soon

Posted by rocko - 2008/03/29 15:32

I will soon be offering package deals that will include turbine flight packs, airframes and accessories to get in the air..

Coming later this year.. JetJoe 35 pound turbine.
The new benchmark in turbine power from JetJoe.

This larger engine will allow our customer to utilize a larger selection of airframes and create even more detailed scale jets.
